

GO 4 IT SALES LTD. IS NOW DISTRIBUTING **PRO-X POWERSPORT TRAILERS:**

- Trailers come flat-packed, palletized as 4 units. This unique flat-pack distribution method allows for economical delivery by commercial transport to almost anywhere in Canada.
- Only very minor dealer assembly, PDI required – axle, wheels, side rails, fender flares.
- Our 2 models –5'x8' deck (or) 6'x9' deck is the perfect size for all major ATVs or UTVs.
- 13" tires & 1,500lb cargo capacity – these beefy, solid trailers are a natural up-sell to any ATV/UTV customer.
- Trailers come standard with self storing loading ramps for easy side loading (or) rear loading.
- Side loading bars permits the trailer to function as a 2-place ATV trailer.
- Flared side bars expand the deck width by 12 inches- accommodating those larger UTVs & ATVs to achieve the perfect fit.
- Side bars are removable to easily convert to a utility trailer
- Loading ramps can also be stored 2 forward (or) 2 back to accommodate loads with overhang
- Heavy Duty Construction – 3" powder coated welded steel tube throughout
- Solid perforated floor panels – keeps road grime off your vehicles while providing a safe and solid walking surface.
- High quality LED lights
- Trailers comply with all Canadian D.O.T requirements.
